ANALYST SERVICES FOR MAIN STREET & LOWER MIDDLE MARKET ADVISORS

## TARGET LIST GENERATION

50 high-quality targets packaged with all the necessary information to feel confident when approaching potential buyers and sellers.

**THE PROCESS** – Our target lists are individually hand-vetted to ensure the highest quality information is being represented. Every list is carefully chosen based on your criteria and our analysts use their research expertise to provide reliable data for each target.

**THE VALUE** – All target lists come with the following information:

- ❖ Company Name
- ❖ Current Investors
- ❖ Company Description
- ❖ Street Address
- ❖ City, State, & Zip
- ❖ Country
- ❖ Primary Contact (First & Last Name)
- ❖ Primary Contact Title
- ❖ Main Phone
- ❖ Main Fax
- ❖ Revenue Ranges
- ❖ Company Website
- ❖ **ANALYST PICKS\***

\*Analyst Picks are companies Peak Development analysts believe best suit the needs of the engagement. Our research and dedication allows our analysts to see the best 10,000 foot view and make educated recommendations.
